

ABB INTERNATIONAL CONSULTING, LLC

"If you want to go quickly, go alone. If you want to go far, go together." African Proverb

Capability Statement

Founded in 2019, ABB International Consulting, LLC, provides strategic consulting and program management services that bridge business needs and technology execution. We support clients by solving complex operational challenges, optimizing systems, and enabling technology-driven transformation.

Leveraging a global network of experts across industries — including IT, defense, supply chain, and systems engineering — we deliver tailored support from strategy through implementation of technology solutions. See more at: www.abb-international.com

Core Competencies

- Technical & Administrative Program & Project Management
- IT Systems Integration & Vendor Coordination
- Strategic Planning & Business Process Reengineering
- Business Intelligence & Operational Readiness
- Contracting & Subcontractor Management

Differentiators

- Over 15 years of experience supporting complex, multi-stakeholder programs
